FORMAT

PERSONAL INFORMATION

Name

JACKIVA (YATSKIV), IRINA

Telephone

+371-7100544

Fax

+371-7100535

E-mail

Jackiva.I@tsi.lv

Nationality

Latvian

Date of birth

29 NOVEMBER 1960

WORK EXPERIENCE

- Dates (from – to) FEBRUARY 2014 – PRESENT
- Name and address of employer Transport and Telecommunication Institute. 1 Lomonosova, LV-1019, Riga, Latvia
- Type of business or sector Education and Research
- Occupation or position held Vice-Rector for Sciences and Development Affairs, Professor; Mathematical Methods and Modelling Department
- Main activities and responsibilities Education and research activities

- Dates (from – to) SEPTEMBER 2013 – FEBRUARY 2014
- Name and address of employer Transport and Telecommunication Institute. 1 Lomonosova, LV-1019, Riga, Latvia
- Type of business or sector Education and Research
- Occupation or position held The Acting TTI Rector, Professor
- Main activities and responsibilities Education and research activities

- Dates (from – to) SEPTEMBER 1999 – SEPTEMBER 2013
- Name and address of employer Transport and Telecommunication Institute. 1 Lomonosova, LV-1019, Riga, Latvia
- Type of business or sector Education and Research
- Occupation or position held Vice-Rector for Sciences and Development Affairs, Vice-Rector for Education and Development Affairs, Vice-Rector for Studies, Professor; Chair of Mathematical Methods and Modelling Department
- Main activities and responsibilities Education and research activities

- Dates (from – to) JUNE 1991 – SEPTEMBER 1999
- Name and address of employer Riga Aviation University. 1 Lomonosova, LV-1019, Riga, Latvia
- Type of business or sector Education
- Occupation or position held Assistant Professor
- Main activities and responsibilities Education and research activities

- Dates (from – to) SEPTEMBER 1990 – June 1991

- Name and address of employer Riga Aviation University. 1 Lomonosova, LV-1019, Riga, Latvia
 - Type of business or sector Education
 - Occupation or position held Lecturer
- Main activities and responsibilities Education and research activities
 - Dates (from – to) SEPTEMBER 1982 – May 1987
- Name and address of employer Riga Scientific Research Institute of State Electrotechnical Factory. 1 Lomonosova, LV-1019, Riga, Latvia
 - Type of business or sector Research
 - Occupation or position held Scientific Collaborator
- Main activities and responsibilities Research activities

EDUCATION AND TRAINING

- Dates (from – to) 20.02.-15.04.2012
- Name and type of organisation providing education and training European Humanities University (EHU)
- Principal subjects/occupational skills covered Introduction to Distance Learning
- Dates (from – to) 2007 (March)
- Name and type of organisation providing education and training EPFL, Transport and Mobility Laboratory, Lausanne
- Principal subjects/occupational skills covered Discrete Choice Analysis: Predicting Demand and Market Shares
- Dates (from – to) 2004 (May)
- Name and type of organisation providing education and training APEC
- Principal subjects/occupational skills covered IT and Logistics
- Dates (from – to) 1997 (August)
- Name and type of organisation providing education and training University of Oxford (Department of Statistics)
- Principal subjects/occupational skills covered Computer Statistics, Simulation Modelling
- Dates (from – to) 1992
- Name and type of organisation providing education and training Riga Aviation University
- Principal subjects/occupational skills covered Design of Engine D-36 Control Computer System
 - Title of qualification awarded Doctor in Engineering
 - Level in national classification Doctor Degree in Engineering (if appropriate)
- Dates (from – to) 1987. – 1990.
- Name and type of organisation providing education and training Doctoral studies – Riga Civil Aviation Engineering Institute
- Principal subjects/occupational skills covered Candidate of Technical Science Degree, diploma KD032708
 - Title of qualification awarded Candidate of Technical Science Degree
 - Level in national classification Doctor Degree in Engineering (if appropriate)
- Dates (from – to) 1977-1982
- Name and type of organisation providing education and training Riga Civil Aviation Engineering Institute, Faculty of Automation and Computer Science

- Principal subjects/occupational skills covered
- Title of qualification awarded
- Level in national classification (if appropriate)

Design of Automatic Control Systems

Diploma of Automatic Computer System Engineer

Diploma of Automatic Control System Engineer

SOCIAL SKILLS AND COMPETENCES

Living and working with other people, in multicultural environments, in positions where communication is important and situations where teamwork is essential (for example culture and sports), etc.

I have a positive experience in different social activities, for example as:

- Association of Paneuropa Coach Terminals, expert , 2008-present
- Member of Classification Society of North America (CSNA) (from 2006).
- Member of the Latvian Simulation Society (from 1994).
- Director of Latvian Operations Research Society, 2003-present
- Member of Latvian Professor's Association, 2001-present
- Member of the Programme and Organisation Committee of the international Annual Conference "Reliability and Statistics in Transport and Communication", (RelStat), Riga, Latvia (2005- present)
- Member of the Programme and Organisation Committee of the International Symposium on Stochastic Models in Reliability, Safety, Security and Logistics, Beer Sheva, Israel, (February 2005, February 2010, February 2016)
- Member of the Programme Committee of the International Conference on Dependability and Complex Systems (DepCoS-RELCOMEX), Wroslaw, Poland, (2012 -present)
- Member of the Editorial Board, International Journal "Mathematics in Engineering, Science and Aerospace", ISSN: 2041-3165 (print) 2041-3173 (online), (2011 -present)
- Guest Editor of Procedia Engineering Volume 134, Pages 1-490 (2016) TRANSBALTICA 2015: PROCEEDINGS OF THE 9th INTERNATIONAL SCIENTIFIC CONFERENCE. May 7-8, 2015. Vilnius Gediminas Technical University, Vilnius, Lithuania
- Member of the Programme Committee of the International Conference on Usage, Usability, and Utility of 3D City Models. Nantes, France, 2012
- Member of the Programme Committee of the International Conference on Information and Digital Technologies 2016 (IDT'2016). July 5 - 7, 2016, Rzeszów, Poland
<http://idt.fri.uniza.sk/idt2016/index.php?clanok=committee>
- Member of the Editorial Board, Journal "Transport" (ISSN 1392-1533), Lithuania, Lithuanian Academy of Science, November 2012 – present
- Member of the Editorial Board, International Journal "Maintenance and Reliability", Polish Maintenance Society (Warsaw), 2005-present
- Member of the Editorial Board, International Journal "Transport and Telecommunication", Latvia, 2005-present
- Member of the Editorial Board, International Journal "Economics of Development", Kharkiv National University of Economics <http://www.ed.ksue.edu.ua/ER/EER/documents/rdk.html>
- Editor, Journal "Research and Technology – Step into the Future" (ISSN 1691-2853, ISSN 1691-2861), Latvia, 2006 – present
- International Journal "Journal of Air Transportation" (ISSN 1093-8826), USA, University of Nebraska at Omaha, reviewer
- Member of the Organisation Committee "Application of Simulation (ИММОД)", Sankt-Petersburg (2003, 2005, 2007, 2009, 2011, 2013) and other

ORGANISATIONAL SKILLS AND COMPETENCES

Coordination and administration of people, projects and budgets; at work, in voluntary work (for example culture and sports) and at home, etc.

I have a positive experience in different organizational activities, for example:

As Vice-Rector during last years I am responsible for general management of education and research activities in the institution with more than 150 personal of full time staff and more than 3500 students.

I was **leader of team** in different research and development projects and programmes **at European level:**

- Enhancing excellence and innovation capacity in sustainable transport interchanges (ALLIANCE), Horizon2020, Project Coordinator (2016- present)
- Policy Learning in Information Technologies for Public Transport Enhancement, EU BSR INTERREG IV C program, (2012-2015)
- EU-wide Establishment of Enduring National and European Support Networks for Sustainable Urban Mobility (ENDURANCE), IEE, (2013.-2016)
- Connecting Authorities for Safer Heavy Goods Traffic in the Baltic Sea Region (C.A.S.H), EU BSR INTERREG IV B program, (2010-2012)
- Baltic-to-Balkan Network for Logistics Competence (B2BLOCO), EU FP-7, (2009-2011)
- Integrating Logistics Centre Networks in the Baltic Sea Region (InLoC), BSR INTERREG III B Program, (2004-2006)

at national level:

- Transport and passenger flow organization model development for Riga international coach terminal (1.12.2014 - 31/03/2015)
- Freight traffic flow research and rerouting from Riga city center, Riga municipality, (1.02.2014 – 7.04.2014)
- Highway P133 and ziemelu street intersection simulation and capacity estimation (11.09.2012 – 10.12.2012)
- Research of expediency for implementation of a pedestrian area in Riga, from Terbatas street to Elizabetes street and then to Tallinas street, Riga municipality, (01.09.2010-30.01.2011)
- Development of Liepaja city macroscopic model for decision making (2007)
- Model of the transport node Krasta street - Maskavas street - Slavu bridge with three level trestle (2007)
- Design of public transport simulation model. Case study of bus station in Riga. (2006)
- Design and Investigation of Simulation Model of Air Space of Latvia for the Analysis and Forecasting of Potential Conflicts (2003) etc

I am the Latvian representative in Management Committee in next EU projects:

- European COST Action TU1306: Fostering knowledge about the relationship between Information and Communication Technologies and Public Spaces supported by strategies to improve their use and attractiveness (CYBERPARKS) (2015-present)
- European COST Action TU1004 "Modelling Public Transport Passenger Flows in the Era of Intelligent Transport Systems" (2011-2015)
- European COST Action TU0903 "Methods and Tools for Supporting the Use, Calibration and Validation of Traffic Simulation Models" (2009-2013)
- European COST Action TU0804 "Survey Harmonization with New Technologies Improvement" (2008-2012)
- European COST Action TU0801 "Semantic enrichment of 3D city models for sustainable urban development"(2008-2012)

I was participant in different research and development projects and programmes, for example:

- LZP Project Nr. 10.0003 "Development of scientific basis for advanced information processing in Latvia" project Nr. 10.0003.4 Development of Model of Intellectual Transport System (2010-2013)
- Latvian National Research Programme "Local Resources Long-Term Utilization. New Products and Technologies (NatRes)". Project Nr. 4. "Development of the Long-Term Programme of the Latvian Transport System Harmonization" (LATRANS)". (2010-2013)
- Enhancing the transfer of Intelligent Transportation System innovations to the market (T-TRANS), EU FP7, (2012-2014)
- Towards an integrated transport system in the Baltic Sea Region (TransBaltic), BSR INTERREG IV B programme. (2009-2011).
- Development of the model of Europe-Asia multimodal corridor intelligent transport system for optimization of Latvia-Belarus international logistics chain (TransLaB). (2007-2009)
- Developing Regions through Spatial Planning and Logistics & ICT Competence (LogOnBaltic), BSR INTERREG III B Programme. (2006-2008)
- BSR INTERREG III B Programme. Project BalticTangent (2005-2007)
- European COST Action TU355 „Changing behavior towards a more sustainable transport demand”

TECHNICAL SKILLS
AND COMPETENCES
*With computers, specific kinds of
equipment, machinery, etc.*

I am the professional educator in different technical subjects:

Course Responsible and Lecturer, TTI Ph.D. Program "Telematics and Logistics"

- Multivariate Statistical Analysis
- Transport Modelling

Course Responsible and Lecturer, PhD in Business Management (RSEBAA-VeA-BA)

- Data Analysis

Course Responsible and Lecturer, TTI M.Sc. in Computer Science, M.Sc. in Management Information System

- Data Mining
- Research Seminar

Course Responsible and Lecturer, TTI M.Sc. in Transportation and Logistics

- Data Analysis and Business Forecasting
- Simulation modeling in Logistics and Transportation
- Research Seminar

Course Responsible and Lecturer, TTI M.Sc. in Economics, M.Sc. in Management

- Econometrics
- Research Seminar

Course Responsible and Lecturer, TTI B.Sc. in Management in Transportation

- Transport Survey Methods

Course Responsible, TTI B.Sc. Computer Science

- Computer Methods of Data Analysis
- Systems Modelling

I have practical experience of simulation project and statistical application in different fields (business, economics, networks, logistics and others)

Artistic skills
and competences

I am author more than 100 scientific papers, 9 scientific and teaching books

I was the supervisor of 5 Dr.Sc. Ing in Telematic and Logistics.
